Scoring

Points are awarded for each current financial members fastest lap, on the nominated circuit, in their class, at each event attended.

Number of points awarded will depend on number of people in each class on any day and your fastest lap time position in the class, with 1 (one) point per person at the time. e.g. If 5 cars in class on the day, 5 points available.

Slowest person in class gets 1 point and fastest in class gets 5 points.

Bonus points, If you win your class on the day you get an extra point. If you are the outright fastest on the day you also get an extra bonus point.

Special bonus points may be awarded for attendance at other nominated events, eg Annual Regularity Charity Challenge.
